

Market Data Subscription Agreement

This Market Data Subscription Agreement is entered into on _____ (“Effective Date”) by and between CITIC Futures International Company Limited (“Distributor”) and _____ (“you” or “Subscriber”). This Market Data Subscription Agreement permits you to access, receive and use certain Market Data (defined below) in accordance with the following terms and conditions of this Market Data Subscription Agreement (the “Agreement”). The Agreement governs your access to receive and use the Market Data, and constitutes a binding legal agreement by and between Distributor and Subscriber (each of Distributor and the Subscriber, a “Party” and collectively, the “Parties”).

1. Definitions

“Device” means any unit of equipment, fixed or portable, that receives, accesses or displays Market Data in visible, audible or other comprehensible form.

“Force Majeure Event” means any flood, extraordinary weather conditions, earthquake or other act of God, fire, war, terrorism, insurrection, riot, labor dispute, accident, action of government, communications or power failures, or equipment or software malfunctions.

“Person” means any natural person, proprietorship, corporation, partnership, limited liability company or other organization.

“Market Data” means information and data pertaining to listed and over the counter derivatives contracts (including without limitations swaps and futures) and options contracts or similar derivative instruments as well as index data and analytics data.

Market Data may include, without limitation, opening and closing prices, high-low prices, settlement prices, current bid and ask prices, open interest information, last sale prices, price limits, requests for quotations, fixing prices, data curves, estimated and actual volume data, contract specifications and fast or late messages. With respect to Subscriber’s obligations under the Agreement, Market Data also includes information, data and materials that convey information to Subscriber substantially equivalent to Market Data.

“OTC Market Data” means Market Data relating to over the counter derivatives contracts.

2. Proprietary Rights in The Market Data

2.1 Subscriber acknowledges and agrees that Chicago Mercantile Exchange Inc. and its affiliates (“CME” or “Exchange”) have exclusive and valuable property rights in and to the Market Data (or in the case of third party content providers who are licensing data through CME, such third party content provider has exclusive and valuable property rights), that such Market Data constitute valuable confidential information, trade secrets and/or proprietary rights of the Exchange, not within the public domain, that such Market Data shall remain valuable confidential information, trade secrets and/or proprietary rights of the Exchange and that, but for the Agreement, Subscriber would have no rights or access to such Market Data.

2.2 Subscriber acknowledges and agrees that disclosure of any Market Data, or any breach or threatened breach of any other covenants or agreements contained herein, would cause irreparable injury to the Exchange for which money damages would be an inadequate remedy. Accordingly, Subscriber further acknowledges and agrees that the Exchange shall be entitled to specific performance and injunctive and other equitable relief from the breach or threatened

breach of any provision, requirement or covenant of the Agreement (including, without limitation, any disclosure or threatened disclosure of Market Data) in addition to and not in limitation of any other legal or equitable remedies which may be available.

3. Receipt of Market Data by Subscriber

3.1 The Agreement sets forth the terms and conditions under which Subscriber may use the Market Data. Subscriber acknowledges that, notwithstanding any agreement, CME or Distributor may, in its discretion, discontinue disseminating Market Data or change or eliminate its own transmission method, speed or signal characteristics. In addition, Subscriber acknowledges and agrees that the Distributor or Exchange reserve the right to disapprove any Subscriber and to terminate any Subscriber's receipt of Market Data for any reason or no reason.

3.2 (i) Except as provided in section 3.2 (iii) below, Subscriber will use Market Data only for its own internal business activities (internal business activities shall exclude subsidiaries and affiliates) and only at the offices and locations and on the Devices designated by Subscriber in writing to Distributor and CME from time-to-time. (The term "for its own internal business activities," as used in the immediately preceding sentence herein, means for Subscriber's (a) trading, for its own account or for the account of its customers (b) evaluating, for its own internal business decisions or (c) provision of advice to its customers on movements or trends in markets for derivative instruments, subject to all of the limitations set forth below in this sub-section as to the telephonic disclosure to customers of a necessary and de minimis number of segments of Market Data.)

(ii) Subscriber agrees that it will not communicate or otherwise furnish, or permit to be communicated or otherwise furnished, the Market Data, in any format, to any other party or any office or location other than that designated above, nor allow any other party to take, directly or indirectly, any of the Market Data from such offices or locations, and will adopt and enforce any policy that is reasonable to prevent the Market Data from being taken therefrom. Subscriber specifically agrees, without limiting or varying its obligations under section 7 herein or otherwise set forth in the Agreement, that Subscriber shall not use or permit another person to use any Market Data for the purposes of (a) creating derived data products based upon or derived from the Market Data, (b) determining or arriving at any price, including any settlement prices, for derivatives contracts, options on derivatives contracts, or like derivatives instruments traded on any exchange other than the Exchange and (c) for any other derived works that will be disseminated, published or otherwise used externally. Subscriber will abide by any other limitations on such use that any of the Exchange may specify from time to time. Subscriber will use its best efforts to ensure that its partners, officers, directors, employees and agents maintain sole control and physical possession of, and sole access to, Market Data received through Devices in Subscriber's possession.

(iii) Notwithstanding sections 3.2 (i) and (ii) above, Subscriber may, in the regular course of its business, occasionally furnish, to each of its customers and branch offices, in a quantity restricted to that necessary to enable Subscriber to conduct its business, a de minimis number of segments of Market Data, provided that such Market Data does not include any OTC Market Data. Such redissemination must be strictly limited to telephonic communications not entailing the use of

computerized voice synthesization or any other technology and must be strictly related to the trading activity of Subscriber or any such recipients. Any such recipients must be advised by Subscriber that such segments are proprietary and confidential information not to be disclosed or disseminated to other persons or entities. Subscriber agrees to make all reasonable efforts to ensure that such recipients abide by the provisions of the Agreement.

(iv) Subscriber will use its best efforts to ensure that no unauthorized dissemination of the Market Data is permitted. Subscriber shall not distribute or permit distribution of the Market Data to any entity located in any country subject to comprehensive sanctions by the Office of Foreign Assets Control and/or identified on the U.S. Department of the Treasury's Specially Designated Nationals and Blocked Persons List.

4. Reporting

Subscriber agrees to furnish promptly to Distributor, CME and their respective affiliates or agents, any information or reports that may be requested or required by Distributor or CME from time to time, which are reasonably related to Subscriber's receipt of Market Data.

5. Right of Inspection And Audit

5.1 During regular business hours, any Persons designated by the Distributor or Exchange may have access to Subscriber's offices or locations in order to observe the use made of the Market Data and to examine and inspect any Devices, attachments or apparatuses, as well as any books and records required to be maintained by Subscriber under Sections 3.2 and 4 in connection with its receipt and use of Market Data.

5.2 Subscriber will make prompt adjustment (including interest thereon at the rate of 1½% per month), to compensate the Distributor and Exchange if the audit discovers an under-reported use of the Market Data by Subscriber. In addition, at the election of any such Exchange, Subscriber will be liable for the reasonable costs of any audit that reveals a discrepancy in such Exchange's favor of five percent (5%) or more of the amount of fees actually due such Exchange.

5.3 Subscriber shall maintain the records and books upon which it bases its reporting for five (5) years following the period to which the records relate. In the event that Subscriber fails to retain such records and books as required above, Subscriber agrees to pay CME the reasonable estimate of any discrepancy discovered pursuant to any such audit.

6. Market Data Fees

Subscriber will pay Distributor for the right to receive Market Data in accordance with the then-current fee schedule. Market Data fees are subject to modification by Distributor at any time, without prior notice to Subscriber.

7. Covenants, Representations and Warranties of Subscriber

7.1 Subscriber covenants, represents and warrants that it is not engaged in the business of distributing Market Data and that, to its knowledge after reasonable inquiry, it is receiving the Market Data as authorized hereunder.

7.2 Subscriber agrees that it will not use or permit any other Person to use Market Data for any illegal purpose.

7.3 Subscriber agrees that it will not use Market Data in any way to compete with the Distributor or Exchange, nor use the Market Data in any way so as to assist or allow a third party to compete with the Distributor or Exchange.

7.4 Subscriber agrees that the provision of Market Data hereunder is conditioned upon Subscriber's strict compliance with the terms of the Agreement and that the Distributor or Exchange may, with or without notice and with or without cause, forthwith discontinue said service whenever in its judgment there has been any default or breach by Subscriber of the provisions hereof.

7.5 Subscriber further represents and warrants that (i) it has all necessary power and authority to execute and perform the Agreement; (ii) the Agreement is legal, valid, binding and enforceable against Subscriber; (iii) neither the execution of, nor performance under, the Agreement by Subscriber violates or will violate any law, rule, regulation or order, or any agreement, document or instrument, binding on or applicable to Subscriber or the Exchange; and (iv) its access to and use of the Market Data will be in accordance with all applicable federal, state, and local laws, regulations, and treaties.
